CHANCELLOR’S DISTINGUISHED FELLOWSHIPS

The Department of Mechanical and Aerospace Engineering (MAE) at the Missouri University of Science and Technology is soliciting applications for highly-motivated doctoral students for the prestigious Chancellor’s Distinguished Fellowship. The MAE programs offer world-class laboratories and faculty working on cutting edge research in fields such as thermal-fluid sciences, energy conversion, design and manufacturing, materials, structures, dynamic and control systems, aeronautics and astronautics. More information can be found at mae.mst.edu.

ELIGIBILITY

- Newly admitted to the Mechanical or Aerospace Engineering Ph.D. program at Missouri S&T
- Be a U.S. Citizen or Permanent Resident
- Minimum 3.75/4.0 CGPA (undergraduate or master’s) upon application

APPLICATION PROCESS

Apply to the mechanical or aerospace engineering doctoral program at futurestudents.mst.edu, then email Michele Warren (warrenmf@mst.edu) with the following:

- Name
- Resume or CV
- One page research statement

Underrepresented students are especially encouraged to apply.

APPLICATION DEADLINE

January 9, 2017
