

Mechanical and Aerospace Engineering **CHANCELLOR'S DISTINGUISHED FELLOWSHIPS**

The Department of Mechanical and Aerospace Engineering (MAE) at the Missouri University of Science and Technology is soliciting applications for highly-motivated doctoral students for the prestigious Chancellor's Distinguished Fellowship. The MAE programs offer world-class laboratories and faculty working on cutting edge research in fields such as thermal-fluid sciences, energy conversion, design and manufacturing, materials, structures, dynamic and control systems, aeronautics and astronautics. More information can be found at mae.mst.edu.

ELIGIBILITY

- Newly admitted to the Mechanical or Aerospace Engineering Ph.D. program at Missouri S&T
- Be a U.S. Citizen or Permanent Resident
- Minimum 3.75/4.0 CGPA (undergraduate or master's) upon application

FELLOWSHIP BENEFITS

- 50% FTE support (\$24,000 annual stipend) plus \$10,000 annual fellowship support for up to five years
- Tuition and all fees waived
- Professional development opportunities

APPLICATION PROCESS

Apply to the mechanical or aerospace engineering doctoral program at futurestudents.mst.edu, then email **Karen Walberg** (walbergk@mst.edu) with the following:

- Name
- Resume or CV
- One page research statement

Underrepresented students are especially encouraged to apply.

APPLICATION DEADLINE

February 1, 2019
