MATHEWS AND KAISER FELLOWSHIPS

FULL SUPPORT PACKAGES FOR NEW OUTSTANDING PHD APPLICANTS

The Department of Mechanical and Aerospace Engineering (MAE) at the Missouri University of Science and Technology (Missouri S&T) is offering fellowship opportunities to outstanding PhD applicants. Graduate students in the MAE Department have the opportunity to work on exciting research under the guidance of world-renowned faculty in state-of-the-art facilities.

ELIGIBILITY

- Newly admitted to the regular or direct (i.e., straight from BS) doctoral Mechanical Engineering or Aerospace Engineering program at Missouri S&T.
- Applicants must have a strong GPA and GRE scores, and have a strong desire to conduct research.

BENEFITS

Successful applicants will receive:

- One year 50% GRA/GTA appointment (\$24,500), full tuition and fees (\$11,000)
- The Mathews/Kaiser Fellowship (\$2500) for a total one year support of over \$38,000.
- By the end of the first year, the student must obtain a research advisor, at which time the student's stipend and tuition will be supported by their advisor.

- The Mathews/Kaiser Fellowship is renewable annually, subject to satisfactory progress in coursework and research.

APPLICATION PROCESS

Apply to the Missouri S&T Mechanical Engineering or Aerospace Engineering doctoral program at <http://futurestudents.mst.edu/>

In addition to the online application, email **Karen Walberg** (walbergk@mst.edu) with the following:

- Name
- Resume or CV (including GPA and GRE scores)
- One page statement of purpose (including a discussion of how a doctoral degree will fit into your future plans)

Underrepresented students are especially encouraged to apply.

APPLICATION DEADLINE

The application deadline is **March 1, 2020**.
Decisions will be made by March 31, 2020.
